9 April 2024

Dear Parents & Carers

I have been informed that Eid will be celebrated on either Wednesday 10th or Thursday 11th April 2024. **Your child may take one day as religious observance, however this will affect your child's attendance figures.**

School will be open as normal on both these days for children who wish to attend. Any children not celebrating Eid **MUST** be in school as normal.

May I thank you for your support and co-operation.

Kind regards

S Titherington
