

Autumn 1 Term 2019

Nursery News

Upcoming Events

As part of our topic “**This is me!**” we would love to meet our families to find out more about our children.

In October we will be inviting parents in for a Stay and Play session. Please look out for a letter and sign up sheet.

Reminders

Please be reminded that all items of clothing must be labelled with your child's name. This helps if your child takes off their jumper or cardigan.

This term we are learning...

We would like to welcome all the children to Nursery, especially the children who are starting with us for the first time. This half term we will be learning all about your child and helping them to settle and feel happy in the Nursery environment. We will be finding out all about ourselves and how we are unique. We will also be exploring our outdoor area in order to find out more about the world around us.

Personal, Social & Emotional

Throughout this half term we will develop children's independence in their learning by encouraging them to make their own choices. The children will be encouraged to take off and put on their own coats. Please support your child by doing the same at home and at the start of Nursery. They will also learn about routines, such as tidy up time. We will be supporting them with making friends along with turn-taking and sharing.

Literacy

We will be learning to sing different nursery rhymes everyday in Rhyme Time. Please support your child by singing these at home with them.

Maths

During this half term the children will be joining in with number rhymes and games. We will begin to practice saying numbers in sequence and counting objects. We will be looking at colours and shapes.
