

Autumn 2 Term

# Nursery News

## Our Reading Books

This half term our Nursery children will start to take home a school reading book. Please read this book at home, look at the pictures and encourage your child to speak in full sentences about what they can see inside the book. We look forward to reading with them every week!

## Reminders

Please note that all items of clothing **must** be labelled with your child's name. This helps if your child takes off their jumper or cardigan. Please bring a named water bottle and a bag of spare clothes every day. This will be left on your child's peg.

## This term we are learning...

This half term we are learning about animal homes. The children will learn all about where different animals live and we will be reading new stories about animals including, 'Owl Babies'. We are also looking forward to starting our Stay & Play sessions and welcoming all parents and carers to join us for some playing and exploring in Nursery.

## Personal, Social & Emotional

Throughout this half term we will develop children's friendships, form relationships encourage them to take turns. We will also be talking about emotions, discussing feelings and exploring these further through the role play and the home corner environment. We will also be encouraging our children to ask questions and explore differences and similarities between themselves and others.

## Literacy

In Literacy we will be encouraging children to share their new reading books with their Key Worker adult and talking about their favourite stories. We will also be encouraging children to add marks to their drawings or writing and give meaning to them.

## Maths

During this half term the children will be continuing to learn number rhymes during their daily Key Worker session. They will also be encouraged to learn shapes through puzzles and exploring in the environment. We will also be introducing words to describe the size of objects such as bigger, biggest, smallest.
